So this is Christmas
 And what have you done
 Another year over
 And a new one just begun
 And so this is Christmas
 I hope you have fun
 The near and the dear one
 The old and the young

A very Merry Christmas
 And a happy new year
 Let's hope it's a good one
 Without any fear

And so this is Christmas
 For weak and for strong
 For rich and the poor ones
 The world is so wrong
 And so happy Christmas
 For black and for white
 For yellow and red one
 Let's stop all the fight

A very Merry Christmas
 And a happy new year
 Let's hope it's a good one
 Without any fear

And so this is Christmas
 And what have we done
 Another year over
 A new one just begun
 And so happy Christmas
 We hope you have fun
 The near and the dear one
 The old and the young

A very Merry Christmas
 And a happy new year
 Let's hope it's a good one
 Without any fear
 War is over, if you want it
 War is over now

la, la, ah, ah
